June is full of grace-filled celebrations, solemn holy days for our blessing. Two of the most special to us are "The Sacred Heart of Jesus" (June 12) and "The Immaculate Heart of the Blessed Virgin Mary" (June 13).

Along with these powerful themes, is June 1st - the 33rd Anniversary of the beginning of our lay ministry, leading to Living Bridges. It is providential that our patron is Mary - as Our Lady of Guadalupe and our Enthronement to the Sacred Heart of Jesus is for our family and ministry.

These holy days take on special meaning this year, as we prepare for a World Congress "Paray-2011" in France, next year. A draft flyer for this global event is shown on the reverse side of this bulletin.

This month the team members for Paray 2011 are gathering for prayer and planning at Malvern Retreat House. Please keep the follow-up of this 3-day meeting in your prayer. Anna and I are honored to be a part of the presenting team at this exciting global event, seeking to build "a civilization of love" in our world.

We have so many personal stories to share as the time for Paray 2011 draws near - on our experiences with Jesus and Mary, bringing God's love to our lives. To begin, we should listen to the teaching of our Holy Father on these glorious themes of Catholic faith.

"The essential nucleus of Christianity is expressed in the Heart of Jesus; in Christ the whole of the revolutionary newness of the gospel was revealed and given to us: the Love that saves us and already makes us live in god's eternity. Even our shortcomings, our limitations, and our weaknesses must lead us back to the Heart of Jesus. His divine Heart calls to our hearts, inviting us to come out of ourselves, to abandon our human certainties to trust in him and, following his example, to make of ourselves a gift of love without reserve" (Pope Benedict XVI)

Let us ask Jesus and Mary to cover our hearts and minds with all their love, as we prepare for this great event.

If the Holy Spirit moves you to consider coming to France with us next October - please contact the Living Bridges office to reserve space.

God bless you!

~ Responding to the Call to Build a Civilization of Love: The gentleness and love of Christ will bring about PEACE...

Christ wants to establish this peace in our hearts. He is calling everyone... Responding to His love is the only way to authentically change hearts and to establish peace. We are all called to build a civilization of love. We cannot lay down our swords when it comes to protecting and defending our families as well as our communities and countries. There IS something we can do. Enthroned the Sacred Heart of Jesus in our lives, homes, parishes, and marketplaces. By living under the Lordship of Jesus Christ is to live under the influence of His HEART. By making Jesus, Lord and King of our homes- we begin to build a civilization of love...

“Welcome the Presence of the Heart of Christ. Entrusting your home to Him. Seek to draw from that open Heart, the saving and healing love that is so necessary for families in order to build a civilization of love.” John Paul II

The goal of the founder of this work (Father Mateo Crawley-Boevey, ss.cc.), “To conquer the whole world for the heart of Jesus. Home after home, family after family...,” is our goal as well, and we have a plan and it is in motion.

~ A Plan for Creating a New Fire of Love- throughout the world! We are bringing forth the Fire of Divine Love... The plan is to hold the first Sacred Heart World Congress. This will be held in Paray-le-Monial, France. Paray is where Jesus revealed His heart to St. Margaret Mary, a Visitation Nun, calling us to respond to His love. The dates are October 6-10th, 2011. We will bring forth the Remedy for coming against the culture of death. We are creating a civilization of love through the Enthronement.
